Curlers go Bocce

Submitted by Karina Lizzi-Ansok

On August 20th, forty members of the Detroit curling club traveled to Palazzo di Bocce in Auburn Hills for an afternoon of summer fun organized and sponsored by the Rockettes. Our curlers were able to apply their on-ice skills to the bocce courts with some tightly contested matches taking place. We also enjoyed some great Italian food and drinks, along with the wonderful company. Overall, the event was a great success and it could become an annual tradition.

Message from the President

Dear Members,

What a summer it's been...and continues to be for those of us who aren't quite ready for the inevitable change in season! With only a few weeks remaining to prepare for the 2022–2023 curling season I'd like to take the opportunity to share with you some of the completed, ongoing and future projects upon which we have embarked. Thank you to the volunteer efforts of our Members and Board of Directors. We wouldn't be where we are today without your constant support and team unity.

Rocks/Blades–

Our rocks were sent to Canada Curling Stone to reprofile the comparatively mushy 10-year-old strike bands and repaint the handles damaged from COVID protocol cleaning. They also sharpened 4 of our scraper blades as a part of regular maintenance. The new bands should provide us with much more lively rock action when hitting, and the refurbished handles will no doubt **sparkle**. Paul Gaines and Dallas Schneider graciously drove them to Canada back in late June. Paul and Beverly Gaines picked them up on September 21 and returned them to the club for reassembly. This personal delivery service saved the club thousands of dollars. Thank you, Paul, Dallas and Bev, for your time! See below for a recap and photos.

Landscaping–

Lee Evans volunteered to take over the landscaping for the club. He worked with Laura Gilchrist and Maryanne Wessels to present a plan to the city to clean up and reorganize the landscaping in the front of the club. Lee reports back that “Stage 1 is complete and for now we look ‘tidied’ up, and can boast some curb appeal.” And he is not wrong! The front of the club looks great with the newly organized plants and fresh mulch! See a current photo below. Lee is working on plans for Stage 2. If you are interested in helping out, contact Lee at evans422lee@att.net.

Arena–

The painting has been completed and it looks fantastic! Last month, the Board of Directors approved funding to hire a contractor to complete the painting project for our ice arena. At the same time, we decided to leave the beams as they are and not paint them. We realized that adding paint to the treated beams will open another can of worms in the future maintenance of the beams. Hiring the professionals was a great move! Not only did they finish in only three days, but they also patched and repaired our wall issues. I think it will look great with our new carpet. Thank you, Bill Morris, Paul Carmouche and John Danckaert, for overseeing this project. See below for a recap and photos.

The Board of Directors along with the Sinners have approved funding to upgrade wiring, switches, cameras and tv's for the arena and warm room. Much of the project will be completed prior to the start of the season but due to supply chain issues, the cameras will most likely be installed at the beginning of next season. Our Technology Committee is doing a great job managing this huge project and I'm looking forward to the finished product.

Ice Maker–

The latest Head Ice Technician contract expired at the end of the 2021–2022 season. We used this expiration as an opportunity to update the Head Ice Tech position and job responsibilities. This reassessment of the job description was based on member feedback, club needs, and new requirements over the past few years. The Head Ice Technician is a paid employee of the DCC with the elected representative Board of Directors as his or her de facto employer. Due to that relationship, the board has kept discussions about employment-related items confidential until it is appropriate to disclose the information to our members. With that said, the Board and Ice Committee are currently in the process of filling the position. In the event that the hire is not made by the time the season starts, we have contingency plans in place that would still allow us to start the season on time. While we still expect to be able to hire a great candidate, the ice installation has always relied heavily on volunteer efforts. This year will be no different, in fact, we may need to lean more heavily on our support base than normal. We are confident in starting the season on time no matter the outcome and will continue to try and do our very best for the club.

Ice Installation–

As mentioned above, we will need your help with ice installation. We are working with the city for early access to the club, but they are currently using their storage area and arena for offices, storage and equipment while they move city offices. Also, the Fall Festival is October 1 and they will need at least three days to clean up afterwards. We have a check-in scheduled for October 5. If all goes well, we will be able to take over the weekend of the 8th. If this doesn't work out, we will for sure have the building back by the 14th per our lease agreement. I realize this is tight timing to ask for help but please be on the lookout for a call for volunteers soon after the 5th. If you have questions contact Bill Morris at wcmorris1969@gmail.com.

League / Membership Registration–

We are up and running! **September 16–30, 2022** is the timing for Current Member Priority Sign Up. **October 1–16, 2022** is the timing for Open Sign Up for Returning Members and Current Members. If you are a returning member, technically you will be reapplying as members and the board anticipates approving everyone who is returning. Reach out to Mike Grudzinski (membership@detroitcurling.com) to begin the reapplication process. We ask that everyone request their leagues by **October 16, 2022**. This will give Bill Morris time to run reports and prep for the drawmasters meeting on October 20, 2022.

Rental Dates to Open–

The Rental Calendar will be posted on the public site by **October 7th**. It will be open for member priority registrations on that day. The Rental Calendar will be open to the public starting on **October 14th**. Rentals are a great way to spread the love of curling. Be sure to share the calendar with your friends and coworkers. If you have questions or want to be a rental instructor, reach out to Don Bleaney at don.bleaney@gmail.com.

Public Website–

I have been working to update our public website. I'm also developing a plan for future updates and assigning responsibilities for copy so we can stay current as we move forward. As of today, most of the pages have been given a new current copy, including the Homepage, Join/Learn to Curl, Membership/Leagues, Ice Rentals, Sinners, & Rockettes. The Ice Rentals page will have one more round of revisions and the Events/Bonspiels will be updated as information becomes available from the Bonspiel Chairs. Thank you to the Rockettes, Sinners, Bill Morris, John Taylor, Abby Bond and Elizabeth Demers for assisting me with this update. We will be working on updating the images on the home page next. If you have ideas for the website or have questions, please contact me.

Pro Shop–

New glassware options will be available for you and our guests at the beginning of the season. We are now using our full color logo along with offering whiskey glasses and reusable water bottles. Be sure to check out the new offerings once the season starts. Side note: these are also great items for raffle baskets! If you are looking for something specific in the Pro Shop, reach out to John Danckaert, jpdanckaert@gmail.com.

Volunteerism–

As you all know, our club is a volunteer organization. We encourage you to find a way to get involved this year – you'll help our club grow and thrive, plus as an added bonus, you'll probably meet some new and amazing friends along the way! (I know I have!) Currently, we are looking for new chairs for the following events: Club Mixed Championship – Jan 21-22, 2023, Motown Doubles – March 17–19, 2023 (with Ben Levy), and Motor City Open – April 28–30, 2023 (with Sarah Burns) If you are interested or have questions reach out to Maryanne Wessels at bonspiels@detroitcurling.com.

Looking forward to seeing you all this season!

Stephanie

Volunteer Opportunities

There are literally hundreds of different opportunities each year, many of which are simple and take a small amount of time. The success of our club depends on the volunteer efforts of our members, and we are all so thankful for the time many of you spend to keep our club thriving. For more information on volunteer opportunities, please reach out to Sarah Felosak this year's volunteer chair at sarahisspunky@gmail.com or Maryanne Wessels at volunteers@detroitcurling.com, who would be happy to help find something that meets your schedule or needs.

1. Scots Tour – The Women's Scots are planning to arrive on November 3rd! More details in the Rockettes report.

Team Cannon's Curlers for a Cure

Submitted by Diana Jankowski

It is very hard losing one of our curling family members. On a beautiful Father's Day morning, Cannon's Curlers for a Cure gathered at the Detroit Zoo to walk/run to celebrate Pat Cannon's life and to bring awareness to men's health and prostate cancer. Pat was a huge supporter of the MIU Men's Health Foundation. The group participated in the MIU Men's Health Foundation 5k walk/run and 1 mile Stroll.

Our team won awards for both the Most Team Members with 45 participants and the Most Funds Raised (Team) - \$1,475. We received two plaques for this!!! Look for these to be displayed at the Club next season! In addition, the Club was featured on Fox2 Detroit with Veronica Meadows. You can view the interview at: <https://www.miumenshealthfoundation.org/>

Thank you to everyone who participated or donated. The event was so well received that many agreed we should make this an annual event! Mark your calendars for Father's Day morning of 2023 to join us again to continue to support a cause that was so dear to Pat and to continue to celebrate his life. I think Gordy Loud said it best, this day was definitely Pat's Day!

Updates from the Arena

The Arena was freshened up with a couple of coats of new paint. In addition, Kevin Ingraham and assistants have been at work installing new wiring to install the new overhead cameras for the warm room and livestream.

DCC Annual Golf Outing & Tigers Game

Early Bird Spiel from Bowling Green

Submitted by Steven Smith

The Bowling Green early-bird spiel occurred September 9th through the 11th. A number of DCC members were able to make it out to enjoy some pre-season curling. It was great to see so many friends after a long summer and a reminder to us all that the roaring game is just around the corner. Among the pool of 16 teams, Detroit was represented in the finals by the Gaul rink, who competed in the C event; while John Walsh and Mike Burger, each partnering with Bowling Green teams, contested for the B and D events, respectively.

Ft. Wayne End of Summerspiel Recap

The Ft. Wayne Summerspiel over September 16–18, 2022. D Event was a Detroit vs. Detroit matchup with Team Benson (Julie Benson, Jill Riecke [Traverse City CC], Denis “Hollywood” Metty, Kristine Rathke) with win over Team Brosnan (Phil Brosnan, Taha Jamil, Isaac Butler, and Jason Schubb). Team Grudzinski (Mike Grudzinski, Chase Ansok, Karina Lizzi-Ansok, and Brandon Brown [former DCC, currently at St. Louis]) took the B Final runner-up after a nail-biting measurement on the last rock with less than 1 tick difference on the measure. Definitely a great reunion for all 44+ members that attended to get energized for the upcoming season!

Throwback Rockettes

Back in the day, it was more common to host skits and live music as entertainment for bonspiels. Looking for inspiration for incoming Scot Tour, a video of the World Famous Rockettes "Mucker Uppers" skits from 1986-1991 was recovered by Club Historian, David Sgriccia. Ferndale Kids Camp with Curling!

Submitted by Troy Eller English

While club members spent the summer relaxing at the beach, hitting the golf course, and perhaps even working, many children enrolled in the Ferndale Summer Camp spent the summer hanging out in the iceless curling club arena. On August 17, DCC volunteers introduced nearly fifty 5–12-year-old kids to curling (although one attendee had already taken the junior learn-to-curl class last season). After watching the World Curling Federation's animated 2 Minute Guide to Curling video and learning about the curling rocks and curling equipment, the kids cycled through floor curling (kits kindly brought by Sue Andrews), sweeping (not easy on the cement floor!), bowling, and an obstacle course focused on balance. The volunteers left the kids with popsicles, happy memories, and DCC Junior Curling Program brochures.

Thanks to Laura Gilchrist and Stephanie Whitmore for arranging the visit, and to all the volunteers for making the outing a success: Sue Andrews, Lindsey Belzyt, Troy Eller English, DessieRai Gaul, Laura Gilchrist, Bret Jackson, Holden Jackson, and Stephanie Whitmore.

They along with Kevin Mets, Mark Mets, Mike Hardman, Duncan Whitmore, Stephanie Whitmore, Bill Morris, Eric Kortebein, Bev Gaines and Laura Gilchrist crated the rocks and packed the truck for their travels to Canada Curling Stone.
