Bar tabs

Take a few minutes with the bartenders to check your credit card that is on file to make sure it's not expired or is the card you want to use. If you need to register a new card, see Derek or Frank for the paperwork.

Clean Ice

Here are some tips from our Ice Committee to keep the ice clean: **Clothes** - change at the club and utilize our lint rollers. Lint rollers and refills are available in both locker rooms and by both doors into the arena. There are more refills in the Sprinkler Room, so if you see one is empty, please swap it out. **Grippers** - grippers are available in the Pro Shop! Treat yourself to a new gripper and help keep the ice clean. **Broom heads** - It's also a great time to get a new broom head. Replace them regularly (at least 1-2 times a season per league, but more often is encouraged for cleanliness and effectiveness. The more you play the more they wear). When wiping them off after sweeping during a game, **ONLY** do this off the ice and over a garbage can.

2024-2025 DCC Dynasty Jersey Order

The Rockettes Board is arranging another round of Dynasty jersey orders for club members. If you want to spiel in style this winter, submit your order here: [DCC Dynasty Order Form 2024-2025](#)

The order deadline is **November 4th**, so don't wait! Once your order is submitted, we will reach out to arrange payment. We anticipate receiving all jerseys at the club by December 20th. If you're not ready yet, don't worry! We're planning another round of orders in early spring.

Front Door

If you are the first to enter the building, be sure to use the hex key hanging on the left side of the door to pop the push bars in place on both doors. This will keep the doors unlocked. If you are the last person to exit the building, be sure to use the hex key hanging on the left side of the door to pop both of the push bars out. Please see a board member, bartender or Q for a demonstration.

Bartender Corner

Hi, everyone! The 2024-25 season is upon us! Derek and Frank are back and looking forward to serving you that vital aiming fluid that keeps you on top of your game. A couple of notes as we start up this curling season:

- Kindly put garbage and recycling in their correct bins.
- No liquid or ice should go into any bin at any time. That's what sinks and drains are for. Wet garbages are heavy, leaky and stinky. If all else fails, leave your used cup on the bar and a professional will de-ice it before recycling.
- Please email Derek at dccbarmanager@gmail.com approximately 3 weeks before your rental if you wish to request the honor of hiring a bartender for your scheduled rental. All requests are dependent on bartender availability and are not guaranteed until approved and confirmed.
- Jeff will be joining our bar staff in December. He has filled in for us on occasion over the last two years so some of you may recognize him. Give him a warm welcome!
- Show your bartenders some love & they'll love you back but please respect their enclosure and natural habitat. Behind the bar is their natural habitat and they may become confused/agitated if you attempt to enter their space or if they wander too far from their enclosure for long periods.
- Have fun, drink responsibly, & most of all good curling!

Pro-Shop Update

The Pro-Shop is Open!

The DCC Pro-Shop is gearing up for a new season! We are looking forward to stocking your curling equipment needs. For those of you unaware, equipment in the Pro-Shop is priced the same as you will find on Steve's Curling Supplies and Goldline Curling Supplies. The benefit to members from purchasing the items from the DCC instead of Steve's or Goldline is that the shipping and taxes are included in the Pro-Shop price. If you order from Steve's or Goldline directly, you will incur these costs on top of the price of the equipment. In addition, a portion of each sale also goes back to the DCC!!!

We are currently working on getting additional/new items into the shop so please keep an eye out! We try to stock all curling equipment items that we think our members will need during the season. However, if there is anything that you would like to purchase but do not see stocked, please email proshop@detroitcurling.com with a description and/or link to the item you wish to order and we can order it for you. This includes curling shoes. Once the item(s) arrive, emails will be sent out with instructions as to how to pick them up and remit payment.

The Pro-Shop is in the DCC Office and is open whenever the bartenders are at the Club. If the office is closed and/or locked, please see the bartender(s) and/or Diana Jankowski or Quentin Way to gain access. Purchases can be made by taking the goods to the bar for payment. You may pay by either cash, credit, or bar tab.

Name Tag Orders

In a change this year, all name tag orders must be emailed to proshop@detroitcurling.com. There will no longer be a sign-up on the bulletin board. Please include in your email: your name, the name as you wish it to appear on the name and whether you would like a magnet back or a pin back. Similar to the past, for all new members, your first name tag is free. All additional name tags or replacement name tags will be charged to you at cost. Once the name tags arrive, emails will be sent out with instructions as to how to pick them up.

Online Apparel Store

We are putting the finishing touches on opening the online apparel store. We have heard some requests for different items with the DCC logo and are working to include them in the store. We heard your call for hats and have that included! New this year, in addition to offering apparel to have the DCC logo embroidered on them, we will be offering items to have the DCC logo screen printed on as well, such as hoodies, t-shirts, mugs, etc.!!! All purchases on this online store will be delivered to the Club. Once the items are delivered, you will receive an email stating how to pick these items up. A portion of the proceeds on these orders also come back to the DCC. Please look for an email with further information and a link to the online store in the upcoming days.

If you have any Pro-Shop questions or comments, please see either Diana Jankowski or Quentin Way or email us at: proshop@detroitcurling.com.

Curling in Traverse City Before the TCC

Since many of our Club members have attended events at the *Traverse City Curling Club*, perhaps it is time to learn a little of the history of curling in that city before their current facility.

The earliest curling reference we have found in the Traverse City area is from the Record Eagle dated February 4, 1949. The article indicated that “so many people” were attending the outdoor hockey games at Thirlby Field that the need for a civic auditorium was one of the community’s biggest needs. The article stated that this indoor ice facility could also be used for curling since “a few curling enthusiasts were also looking for a rink.”

The two men initiating this attempt to bring curling to Traverse City were John Quigley and Lee Caldwell. Mr. Quigley was born November 23, 1876 at Grass Lake in Jackson County. He moved to Traverse City in 1901. For 22 years he operated a grocery store at 822 Cass Street. Mr. Caldwell was born in 1886; he was a farmer in Mapleton, MI. They were 73 and 63 respectively!!

In 1950 these curling wannabees travelled to Sault Ste. Marie, Ontario to see the skating and curling accommodations at the new \$800,000 municipal auditorium. Throughout the next three years these two gentlemen gave presentations to City, County and other organizations trying to generate interest in the sport.

Finally, in January 1953 a curling club was organized as the *Tam O’Shanter Curling Club*. Quigley and Caldwell had joined forces with Bill Fleming and Gerald Williams, the city park department superintendent. The plans were in motion to utilize the dairy cattle barn at the Fairgrounds as a covered rink area for the sport.

Curling at the Fairgrounds was made possible through the loan of several sets of curling stones from the Wausau, Wisconsin Curling Club. During the winters of 1954 and 1955 in addition to the *Tam O’Shanter CC* the parks department promoted curling demonstrations and lessons to adults and high school students. Unfortunately, we have found no more information about curling at the fairgrounds after 1955.

Jump forward to December 1971 and it was announced that Northwestern Michigan College Physical Education Department would be offering several interesting and unusual winter sports activities: Snowshoeing and Curling were added to their other classes in Alpine and cross-country skiing. These classes were open to students and community residents. In 1972 NMC held a weeklong Winter Carnival, and a curling demonstration was part of the agenda each day.

In March 1976 members of the Lewiston Curling Club held a curling exhibition at the Glacier Dome on Barlow Street in Traverse City. Over one hundred people watched and participated in the demonstration.

fast forward to 2014 when Organizer Don Piche and 55 curling enthusiasts held an organizational meeting to form

The Traverse City Curling Club. The TC Curling Club has games all winter long and hosts a very large and well-run Bonspiel in April at Centre Ice Arena. The current chapter in Traverse City curling began in 2020 when they bought and refurbished the old Kmart portion of the Cherryland Mall.

No niggle in my wiggle,
Angus MacTavish
