Happy holiday! Thanks to everyone for all of your help keeping this place clean and happy. There has been a lot less ice in the garbage etc. and we appreciate you chipping in to help out.

Couple of notes to make the new year even more curl-tastic:

- Please specify if your drink is to be for the warm room. As a default all beverages will be served in plastic as we have limited glassware. You know your schedule better than us, so if you want it in glass, just say the word.
- If you choose to use any dishes or serving utensils, they are yours to clean. Please, use disposable if you're not willing to clean them.
- We are at our busiest during the crossover as teams come off & go on the ice so, please know your order and how the bill is being paid or split before stepping up to the bar. Otherwise, this indecision holds up the line and slows service for other members who have done their homework.

Our primary directive is to facilitate comradery, curling related joy, and libation induced ecstasy.

Good curling!

2024 CanAm Cup of Curling

On November 19 the Detroit Curling Club welcomed the 2024 CanAm Cup participants with a broom arch for the final stop on their tour through the Midwest.

The Canadian team was comprised of men from the East in Nova Scotia and all across Canada to British Columbia and the Northwest Territories. They visited 28 Clubs playing 107 games in 17 days.

In the overall Competition, the Canadians prevailed by over 300 points. However, the DCC Teams gave them a challenge by winning one game and tying two others.

The DCC was proud to be the host for the Tour's final banquet at the Polish-American Cultural Club. A fine meal was accompanied by some musical stylings from Larry Aubuchon. The Canadians regaled us with some songs with a ukulele. From speaking with any and all, it was easy to see why these gentlemen were selected for the tour.

The mission to "share with our two countries our love of the game, fellowship and traditions" was certainly accomplished!

The board would like to thank Chris Golec, Gordy Loud and Maryanne Wessels for chairing the event.

Our members who participated, Dallas Schneider, Elizabeth Demers, Eric Trytko and Larry Aubuchon for their parts in the programming and both the Sinners and Rockettes for their generous donations to host the event.

GLCA Updates

After three amazing days of curling at the Detroit Curling Club, the winners of the GLCA U18 Regional Championships were Team Hollands in the Women's event and Team Stygles in the Men's event. Both will represent the GLCA along with Team Meyer, who finished 2nd in the Men's event, at the U18 National Championships held in Lafayette, CO January 8-12, 2025.

Congratulations to our own Detroit Curling Club juniors Julius Peplinski (Team Meyer) and Kate Stevenson (Team Hollands) who will both be heading to Nationals!

The Detroit Curling Club was also well represented by Team Lassen (Jack Lassen, Ben Taylor, Duke Lassen, Luke Derrickson), Tommy Bugg (Team Dokter) and Holden Jackson (Team Cheney). The future of junior curling in the GLCA is extremely bright and the Detroit Curling Club is looking forward to being a huge part of that.

Thank you to all the folks who volunteered their time as ice makers, timers, officials, coaches, drivers, and event coordinators. You are all appreciated!

Ontario Curling Association

Celebrating their 150th year, the OCA is now identified with this new logo as Curling Ontario.

In addition, the website has changed to **curlingontario.ca** and comes with a complete facelift with more resources available to club members. If you're looking for some good ol' Canadian bonspiels, we encourage you to look at their revamped page and filter by event

(men's/women's/open/mixed/doubles/stick/wheelchair)

<https://curlingontario.ca/club-services/bonspiels/>. They also

features a new online apparel and gift shop where you can buy cool Curling Ontario swag

<https://curlingontario.square.site/s/shop>

Just a friendly reminder that DCC members can compete in any OCA event that leads to a Provincial Banner. The OCA offers a number of different Provincial Banner categories of competition including:

- Four-Person Stick Championship (Orangeville Curling Club, January 31-2, 2025). All participants must use the stick delivery system and be over the age of eighteen. Teams can be formed of any Curling Ontario club and of any gender combination.
- Grandmasters Championship (Oshawa Golf & Curling Club, March 21-23, 2025). This is a four-event format with a three-game guarantee. Open to male athletes 70 and over and female athletes 65 and over as of February 28th, 2025. Open Qualifiers will take place December 2-December 6 at these [host sites](#). Entry fee is \$300 CA. Each team will be composed of four or five women or four or five men or any combination of women or men playing on any team position.
- Senior Mixed Championship (Midland Curling Club, April 2-6, 2025) Teams must be comprised of four members (two males, two females). Male athletes must be aged fifty (50) and over, female athletes forty-five (45) and over as of June 30th, 2024.
- Silver Tankard (Oshawa Golf & Curling Club, April 11-23, 2025) This unique format requires a four-person men's team and a four-person women's team playing for a combined score to decide the results. (At the same site, usually on adjoining sheets.) All athletes must be aged eighteen or older by December 31st, 2024.

Registration for of these events can be found on <https://on.curling.io/en/competitions> In addition, if you happen to score an 8-ender or a 6-ender in doubles this season, you can submit [here](#) for a commemorative pin!

If you have any questions about any of these formats or anything else that the OCA offers, please feel to reach out to your representatives Jenny Levy and Nate Glitman. #YayCurling! #OCA4Life

Sinners News

The Sinners held their Sunday breakfast on December 15, 2024. Over fifty Sinners came before the Altar of Sticks and Stones to share a meal and tell tall tales. The choir was rather angelic at this meeting with young Sinners Rex and Rocco Duby joining at the front of the choir before long-time Sinner choir director and conductor Dave Nelsen. This event coincided with the Men's International playdowns. Sunday competitors took to the ice following their hearty meal to duke it out on the ice for a chance to play in the Men's International Bonspiel. Congratulations to the Lopez, Urbiel, Grimshaw, and Whitmore rinks for making it into the event. We know you'll make competitive opponents on the ice and hospitable company off the ice.

The next club event, sponsored in part by the Sinners, will be the Toast to the Club on January 1, 2025. Plan to come around 11:00 am and bring your New Year's Eve leftovers to chase away any overindulgence hanging on from the evening prior! Mixmaster General, Gordy Loud, will have something a little stronger than leftovers for those in need! At noon, those in attendance will honor the tradition of singing Auld Lang Syne and bringing a new year of prosperity and fellowship to our Club.

If you haven't had the chance to preorder a Sinners hoodie or jacket, information on how to do so is posted on the bulletin board in the warm room along with a QR code to order new Sinners gear.

2024-2025 Sinners Calendar of Events

- Toast to the Club, January 1, 2025 11 AM
- Robert Burns Sinners, January 26, 9 AM
- Third Annual Sinners/Rockettes, February 9-10
- Sweetheart Sinners, February 9, 9 AM
- Last Chance Sinners, April 13, 9 AM

The Detroit Curling Club Royal Order of Sinners Mission Statement:

The Detroit Curling Club Royal Order of Sinners men's club promotes fellowship and camaraderie on and off the ice while creating benefits and lasting experiences.

For questions or further information, email The Sinners at: sinners@detroitcurlingclub.com

New Restroom Dispensers

As you may have noticed, we had new soap, paper towel and bathroom tissue dispensers installed in all the restrooms. They are a tad lower now which makes them ADA compliant. Cintas will be servicing these dispensers throughout the year. Thanks to Quentin and Derek for your work on getting this task done!

Moving to SignupGenius.com

We have decided to switch to signupgenius.com instead of signup.com. This switch will happen for all events in the new year starting with the NYE Spiel sign up. It is very similar to our old sign up and we will be posting links on the website, club communities and socials like before to access the current volunteer opportunities.

Sign up Genius also offers an app for your phone. You are not required to download the app and can still sign up from provided links.

You can find the sign-ups for the NYE Spiel and the Men's International as examples of the new platform and a great opportunity to help at an event. For the NYE Spiel: [Sign up here](#) and for the Men's International: [Sign up here](#). If you have any question please reach out to Maryanne at volunteers@detroitcurling.com.

Pro Shop Info & Hours of Operation

For those of you unaware, equipment in the Pro-Shop is priced the same as you will find on Steve's Curling Supplies and Goldline Curling Supplies. The benefit to members from purchasing the items from the DCC instead of Steve's or Goldline is that the shipping and taxes are included in the Pro-Shop price. If you order from Steve's or Goldline directly, you will incur these costs on top of the price of the equipment. In addition, a portion of each sale also goes back to the DCC!!! If there is anything that you would like to purchase but do not see it currently stocked, please email proshop@detroitcurling.com with a description and/or link to the item you wish to order and we can order it for you. This includes curling shoes. Once the item(s) arrive, emails will be sent out with instructions as to how to pick them up and remit payment.

The Pro-Shop is located in the DCC Office and is open whenever the bartenders are at the Club. If the office is closed and/or locked, please see the bartender(s) and/or Diana Jankowski or Quentin Way to gain access. Purchases can be made by taking the goods to the bar for payment. You may pay by either cash, credit or bar tab.

Name Tag Orders

In a change this year, all name tag orders must be emailed to proshop@detroitcurling.com. There will no longer be a sign-up on the bulletin board. Please include in your email: your name, the name as you wish it to appear on the name and whether you would like a magnet back or a pin back. Similar to the past, for all new members, your first name tag is free. All additional name tags or replacement name tags will be

charged to you at cost. Once the name tags arrive, emails will be sent out with instructions as to how to pick them up.

If you have any Pro-Shop questions or comments, please see either Diana Jankowski or Quentin Way or email us at: proshop@detroitcurling.com.

THE FIRST MEN'S INTERNATIONAL BONSPIEL - 1897

January 3, 1897, Detroit Free Press:

“THE ICE IS PROMISED. *Curlers prepared for the Bonspiel this week.* Twenty clubs have entered the contests. *Splendid Trophies for the Winners.* Just now there is great activity among the members of The Detroit Curling Club, and especially those who are on the ice committee. The International Bonspiel is to begin here on Wednesday and it is the duty of the committee to provide ice. Committeemen were racing up to the weather office yesterday and members of the club were burning up the phone wires in quest of anything but rain. When word came that there is a wave pointed at us and which will avenge the premature advent of spring there was happiness. Everything else has been provided and if the cold snap strikes here and throws out the anchor there will be plenty of fun for the curlers this week.

RUSSELL HOUSE TROPHY.

THE WALKER CUP.

CADILLAC'S PRIZE.

“The prizes are the finest ever given at a club Bonspiel.”

“The invitations have been responded to from all quarters, and, although entries will be accepted up to noon tomorrow, there are twenty in now. Each club will send eight men, and this will make 160 in play. The first round will start at 10 o'clock on Wednesday morning and play will continue until midnight each day until the games are played off. The entries up to date are as follows:

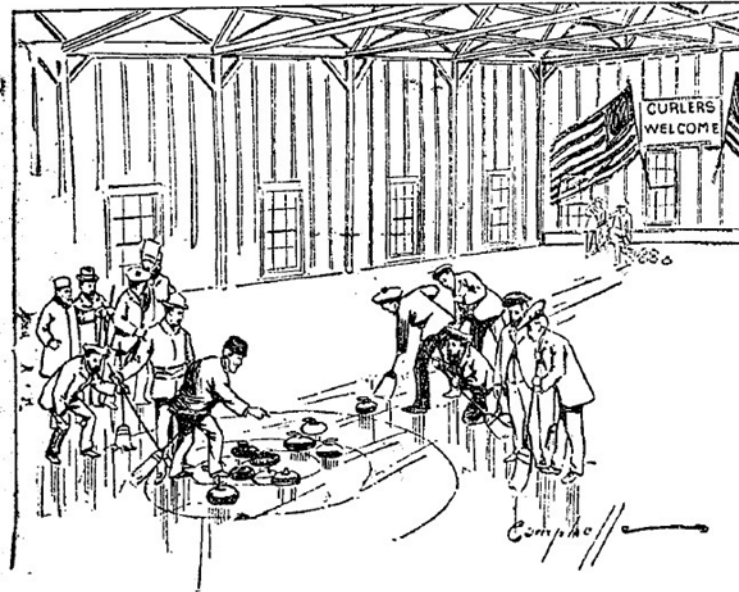

“Chatham, Embro, Forest, London, London-Forest City, Petorlia, Ridgetown, Sarnia, Stratford, Thamesville, Glencoe, Woodstock, Wallaceburg, Toledo, St. Thomas, Berlin (*Ed note: Berlin was the name of Kitchener before 1912*), Simcoe, Grand Rapids, Windsor and Detroit.

January 7, 1897, Detroit Free Press:

“Unfavorable weather caused the committee of The Detroit Curling Club to advise several of the teams entered in the Bonspiel not to come, but a change in the atmosphere occurred just in time to bring the near-by teams here for the opening. The Club held off until Tuesday morning before being certain of ice, and then it was too late to reach some of the teams in time to bring them on, yet fourteen are on hand and the play will continue through two more days at the rink on Forest Avenue.

“The ice was made under difficulties and had to be built almost sheet by sheet. There was not time to flood the place and be sure of its freezing; hence on the opening yesterday the surface was not as smooth as is desired. The cold of last night, however, allowed the flooding of the rink, and the ice will be all that can be asked when the merry Scots assemble this morning. The Bonspiel is the greatest ever undertaken by a club. The prizes are the finest and attracted some of the best curlers in the United States and Canada. The curling began late yesterday morning and continued throughout the day. Windsor and Grand Rapids have new clubs and the games between the rinks representing them were interesting. The Windsor club is but two weeks old, and the victory over Grand Rapids will materially help the organizers.

“There was not only good curling but plenty of fun watching and hearing the curlers. The play will resume this morning and continue all day. The rink is located on Forest Avenue, between Sixth and Seventh streets.”

A CRITICAL MOMENT AMONG THE CURLERS.

(Ed Note: The drawing above appeared in the Free Press with the article. It is the only image of the inside the original Detroit Skating & Curling Club that we have seen prior to photos in the 1900's.)

Happy New Year and Good Curling,
Angus MacTavish

Curling Coach

It's holiday break, but if you can't get on the ice you can still keep those curling muscles in top form. Yoga can help us stay flexible on and off the ice. Innovation Physical Therapy in Alberta recommends a series of stretches to keep curlers injury free. As always, consult with a medical professional before attempting any new exercise program.
